

## How to complete a Virtual Event

This is a virtual running event, which means you can participate and complete the race from anywhere in the world, including treadmill runs. All the results will be collated into a leader board and prizes awarded to overall winners and age category winners.

### Here's a reminder what you need to do

#### Submitting your result

- ✔ **Head back to this event page to submit your results**

Make sure to submit your results within the event completion timeframe

- ✔ **Upload a screenshot of your activity tracker or GPS watch to verify your results**

You can still participate and submit results without this, but we won't be able to verify your results.

- ✔ **Provide your finish time and overall distance**

If you go further than the race distance, we'll adjust your time down to the correct distance based on your pace.

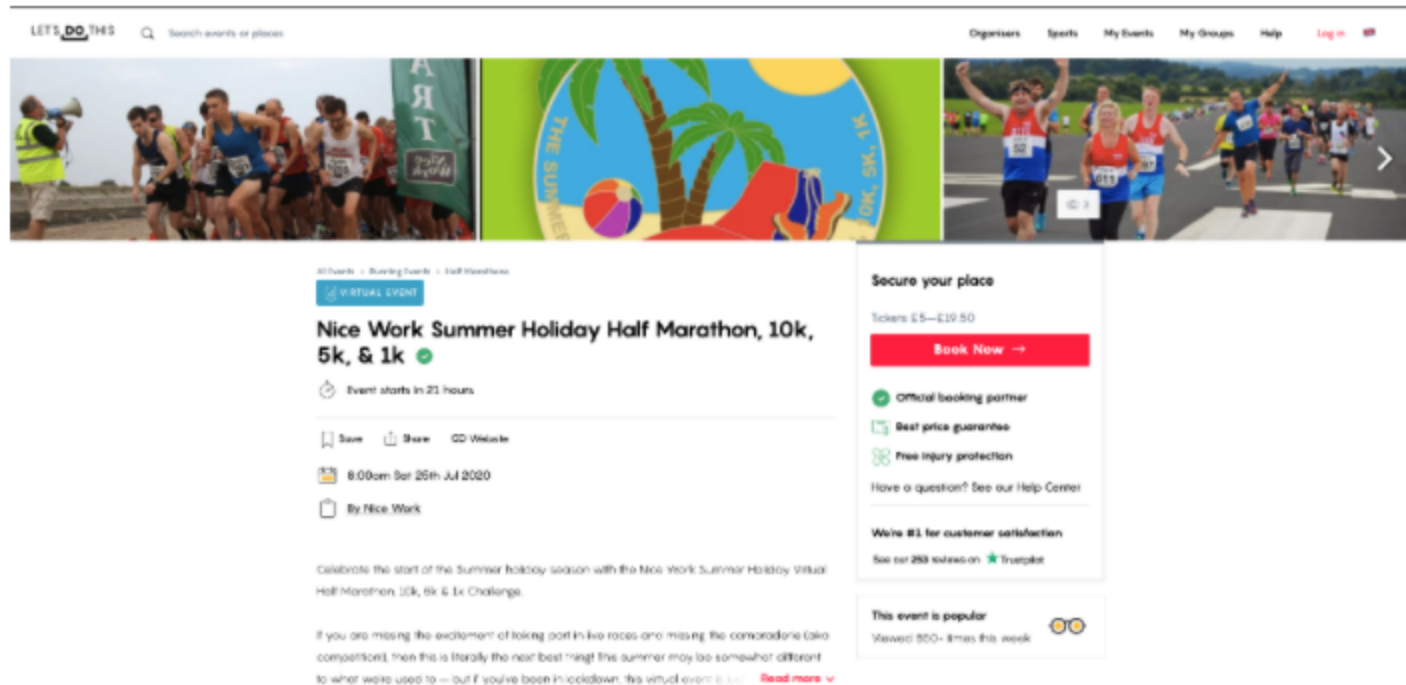

- ✔ **Share your Finisher's Photo on the Finish Line gallery**

Get featured on our Finish Line where you can celebrate your achievement and inspire others to get active.

## Submitting your result

Step one - Once you have completed your chosen distance, make a screenshot from your activity tracker or running device.

Step two - Head back to the Let's Do This event page when you are ready to submit your result - click [here](#) for the link.

8:00am Sat 26th Jul 2020

By Nice Work

Celebrate the start of the Summer holiday season with the Nice Work Summer Holiday Virtual Half Marathon, 10k, 5k & 1k Challenge.

If you are missing the excitement of taking part in live races and missing the camaraderie (aka competition), then this is literally the next best thing! This summer may be somewhat different to what we're used to – but if you've been in lockdown, this virtual event is just [Read more](#)

Step three - Login (in the top right corner of your screen) using the **SAME** Let's Do This account that you used to purchase your place. This is the important bit! Your screen will then look like this, scroll down to find the results submission button and click to upload results.
